

# The Real Italian Deal...

## Rhoixon Hobs are genuinely Made in Italy

House of Italian Kitchen Appliances

Since our establishment in 1985, Rhoixon has always insisted on selling

Italian hobs. We believe only in giving the BEST. The word "SABAF"

on the hob burners is the best evidence that the hob is Made in

Italy! Contrast this to many hobs on the market without the word

"SABAF". Can you be sure that "Made in Italy" claims are true?

3 Rings - "flame fit for Asian cooking"

Better heat distribution = gas savings

## 乐声牌是真正意大利制造的煤气炉

意大利煤气炉、厨具专卖店

自1985年，乐声牌面市以来，一直都是坚持进口及

销售意大利制造，质量优越的煤气炉。火头上刻有

"SABAF" 字眼就是意大利制造的铁证。

反观市场上众多的新品牌、新品种煤气炉，火头上

都是光秃秃的，你相信那是意大利产品吗？

三环火焰，适合亚洲烹煮
